The BCSA logo is 30 years old. The Executive Board voted on the new logo for tee shirts for this year. A committee will need to be formed to come up with new logo. Recommendation was to have a Logo Contest, advertise it on the website, with a deadline before the Feb 2005 meeting. The entries submitted should have guidelines. The Executive Board will review the entries and make recommendations. The prize would be \$100.00 for the contestant whose logo we use.

Motion passed, with one opposed.

Empire State games held the end of this month. Volunteers are needed to run lines, or to be ball people. If you volunteer for 3 games or more, you would receive a free tee shirt. Call Larry Watson @ 625-4406. Deadline – July 10th.

Next meeting will be in September. (August meeting passed).
