There was discussion about what to do about clubs which never have a representative to the monthly meetings. Should they be fined or what? Each club needs to have a representative at the monthly meetings.

It is also important that the Recording Secretary has the updated Proxy form submitted from each club. That form needs the President, Vice President, Treasurer of each club, as well as the proxy person to represent the Club. We need their names, email addresses, and phone numbers.

The next meeting will be held February 4, 2010 at Brothers 2 Restaurant.

Minutes respectfully submitted

By Sally Pitcher, Recording Secretary
