May 6, 2010

4 Clubs members present
4 Board members present
2 BGSR referees

Treasurer's Report –

Several fines have been issued thus far into the season. A few red cards have been issued, and changes have been made after the two week limit. Check the website to see if your club has been fined.

ALL FEES AND FINES MUST BE PAID BY CLUB CHECKING ACCOUNTS, NOT INDIVIDUAL OR COACHES' ACCOUNTS.

District Commissioner's Report - Kevin Arnold absent

Referee Report – Gary Pawleshyn

Game reports are coming in, both from the coaches and the referees. There has been good feedback from both, giving better description of the games, both good and bad. The game reports are more objective and have better evaluations. Continue the good work.

REMINDER** COACHES NEED TO LIST REFEREE NAMES ON REPORTS

Spring League Coordinator Report – Bill Campbell

***** MAKE SURE THAT YOUR TEAMS AND PLAYERS HAVE WATER READILY AVAILABLE WHILE PLAYING SOCCER, TO AVOID HEAT STROKE *****

There are changes that need to be made: DISCUSSIONS

- Field Availability Changes
Some clubs did not realize that changes have been made for field availabilities and did not notify Bill Campbell in time to make the necessary changes in the Spring League Books. Bill needs to be aware of all changes by Feb 1st.
- When registering your teams for your club, make sure that you are registering the teams under the correct age group.
- Clubs need to be represented at the monthly meetings, so that they are aware of rule changes, changes in the spring leagues, as well as be there for the yearly elections. Each club should be represented at each meeting, as per the league by-laws.
