**New Business:**

All games completed by -- July 1<sup>st</sup>

It is important that the Recording Secretary has the **updated Proxy form submitted from each club.** That form needs the President, Vice President, Treasurer of each club, as well as the proxy person to represent the Club. We need their names, email addresses, and phone numbers.

It is also important that **all rosters from all teams/Clubs be submitted to Matt Palmer, BCSA Registrar ASAP.**

Red Cards – passes and report sent to Bill Campbell. After fines are paid to Victor Lourenco, the passes will be mailed back to the Club President or Club contact person – not coaches.
