When registering your teams, consider the roster size. Make two teams if possible so that players get more playing time. Discussion also encompassed going to open rosters at the Under 12 level.

Under 10 Notes:

- Do not change any field size until the rules are finalized.
- Develop soccer skills, using tactics as needed.
- Do not punt the soccer ball. Play from the back.
- Discussion of coaches' training, especially U8, U10, and U12 coaches sponsored by BCSA during the off-season.

Respectfully submitted,
